CANDO TPMS TOOL

ET2615
$899

NEW

TRUCK TPMS

The CanDo HD TPMS is an activation tool with functionalities specifically designed for the maintenance of trucks and buses. Read sensors in twin wheels and manage up to 22 wheels! The tool is compatible with today's leading truck and bus TPMS sensors and can be updated with new heavy transport vehicles as soon as they are introduced.

FEATURES & BENEFITS:

- Activates and reads OE sensors in seconds
- Check tyre pressure to prevent under-inflation
- Check sensor battery levels to prevent sensor failure
- Display sensor ID, tyre pressure & temperature, battery status and more!
- Identifies the sensor by vehicle and sensor reference, or simply scan all protocols to activate
- Fits under the wheel arch
- Frequent updates
- 3 years software updates included!
